

Curriculum Vitae

Patrick Carroll

Associate Professor

Department of Sociology and Science & Technology Studies Program

University of California, Davis

One Shields Ave., CA 95616

916-420-2756

pcarroll@ucdavis.edu

Areas of Research

Science & Technology Studies, Historical and Cultural Sociology, Material Culture Studies, Governance & State Formation, Theory.

Degrees

Ph.D. Sociology, with DE in Science Studies, University of California, San Diego, 1999.

MA. Sociology, University of California, San Diego, 1995.

MA. Modern History - First Class Honors (US equiv. *summa cum laude*), National University of Ireland, Maynooth, 1991.

BA. Sociology & History - Double First Class Honors (US equiv. *summa cum laude*), National University of Ireland, Maynooth, 1989.

Select Awards and Honors

National Science Foundation Grant for Project: "California Delta: The Engineered Heart of a Modern State Formation." \$163,000; funding period 2008-2011.

Mellon Sawyer Postdoctoral Fellowship, International Institute for Advanced

Studies, New York University, 1998. \$36,000 (Declined in order to take faculty position at UC Davis).

Dissertation Fellowship, NSF/Science Studies Program. University of California, San Diego, 1995. \$25,000

Regents Fellowship, University of California, 1991. \$17,000

Fulbright Scholarship, Irish-American Fulbright Commission, 1991. \$8,000

Faculty of Arts Scholarship, National University of Ireland, Maynooth, 1989. \$6,000

Current Major Book Project

California Delta: The Engineered Heart of a Modern State Formation. Funded by the National Science Foundation (\$163,000). Under contract with MIT, expected publication date 2017.

Presentations

"The Enviro-State as Organic Engine," Society for Social Studies of Science, Denver, November 2015.

"Water, Technoscience, and Regimes of Governance in California," American Sociological Association, Chicago, August 2015.

"State/Environment Relationality: Organic Engines and Governance Regimes," American Sociological Association, San Francisco, August 2014.

"What Kind of 'Thing' is the Technoscientific State?," Society for Social Studies of Science, San Diego, October 2013.

"Nature, Environment, and the Technoscientific Enviro-State," Society for Social Studies of Science, Copenhagen, October 2012.

"Ontologies of the Technoscientific State: Heterogeneous Assembly, Obligatory Passage Point, and Discursive Punctualization," Society for Social Studies of Science, Cleveland, November 2011.

"Science and the State," commentary on papers presented at American Sociological Association, Las Vegas NV, August 2011.

"California: The Networking of Science and Governance and the Powers of the Modern State." Invited Keynote Presentation at the 2nd International Conference on Power and Knowledge, University of Tampere, Finland, September 2010.

"Governmentalities: Liberal, Police, and Engineering." Invited Keynote Presentation at the Nordic Summer School on History of Medicine, Tampere University, Finland,

September 2010.

"California as a Technoscientific Actor-Network: Micro Practices, Macro Effects, and the Formation of the State as a 'Thing'." Society for Social Studies of Science, Tokyo, August 2010.

"Reclamation, Water Infrastructure, and Technoscientific State Formation in California." Society for Social Studies of Science, Washington DC, October 2009.

Presenter and Discussant, UC Davis Humanities Institute Conference: "California, the University, and the Environment: A Multidisciplinary Conference." May 2009.

"Science, Culture and Modern State Formation in Ireland and California." Council of European Studies, Chicago, March 2008.

"Beyond the Regulatory State Idea: The Constitutive State as a Co-production of Science and Government." Society for Social Studies of Science, Montreal, October 2007.

"From Landmass to Techno-territory: Engine Science and Modern State Formation." Society for Social Studies of Science, Vancouver, November 2006.

"Modern Engineering Culture and the Co-Production of Science and Governance." Session on Science, Ingenuity and Social Orders, American Sociological Association, Philadelphia, August 2005 (invited).

"Constructing Social Economy as a Moral Counter to Economics in Mid-nineteenth Century Social Science." Workshop on *Knowing Society, Making Society*, Science Studies Program, UC San Diego, June 2005 (invited).

"Engine Science and the Technoscientific State: Articulating Science Studies with Historical Sociology of State Formation." Science Studies Colloquium, UC San Diego, November 2004 (invited).

"The Science/State Plexus: Mutant Likely, Hybrid Surely, Monster Hardly." Science, Technology and Knowledge Section Session, American Sociological Association, San Francisco, August 2004.

"The Science/State Plexus Exemplified: The Case of the Irish Ordnance Survey: 1824-46." Society for Social Studies of Science, Cambridge MA, 2001.

"Land & Bodies as Boundary Objects Between Science and Government." Pacific Sociological Association, San Francisco CA, 2001.

"Tools, Instruments, and Engines: Getting a Handle on the Specificity of Scientific Practice". Conference by invitation on "The Demarcation Socialized." Cardiff University, Wales/UK, 2000 (unable to attend due to INS foreign travel restriction).

Co-organizer and participant, Discussion Panel on GMOs in Agriculture, Cultural Studies of Technoscience Series, University of California, Davis CA, 2000.

"Engineering States." Discussion Group on the State, St. Peter's College Oxford, England/UK, 2000 (invited).

"Engineering Cultures and the Technoscientific State: Science, Government and the Colonization of Natural Bodies in Ireland, 1650-1880." Council of European Studies Annual Conference, Chicago IL, 2000.

"'What ish (sic) My Nation?' The New English and the New Science in Early Colonial Ireland." Society for Social Studies of Science Annual Conference, San Diego CA, 1999.

"Private Lives and Public Health: Articulating and Policing Imagined Boundaries." International Communication Association, San Francisco CA, 1999.

"Epistemic Communities: Science Studies Inside and Out." Cultural Studies Colloquium, University of California, Davis CA, 1999.

"Tools, Instruments, and Engines: Getting a Handle on the Material Culture of Scientific Practice." Society for Social Studies of Science, Halifax, Canada, 1998.

"Material Culture Studies as a Link between Micro and Macro in Science and Technology Studies." Refereed Round Table, American Sociological Association, San Francisco CA, 1998.

"Gender and Sexuality in Ireland: An Historical Perspective." Panel Discussion on Gender Roles Across Cultures." International Center, University of California, San Diego CA, 1998.

"Medical Police and the Public Health." History of Medicine and Public Health Colloquium, University of Michigan, Ann Arbor MI, 1998 (invited).

"Engine Philosophy, Engineering Cultures, and the Beginnings of Technoscience." Society for the Social Study of Science, Tucson AZ, 1997.

"Medical Police, Experimental Government, and the New Politics of the Body Natural." American Sociological Association. Round Table Session. Participant and Discussant. Chicago IL, 1997.

"Material Culture Studies and Historical Sociology." (with Chandra Mukerji) Panel on "New Directions in Cultural Approaches to Historical Analysis." American Sociological Association, Chicago IL, 1997.

"'Vexed by Art and Ways Unusual': Engine-uity and the New Science in Late Seventeenth Century England." Science Studies Colloquium Series, University of California, San Diego CA, 1997.

"Medical Police, Sanitary Engineering, and the Body of the Modern Body Politic." Pacific Sociological Association, San Diego CA, 1997.

"The Powers of Engine Philosophy." West Coast Society for the History of Science, Claremont CA, 1997.

"Science and Technologies of Ruling." Workshop on State Formation in Comparative, Historical, and Cultural Perspectives, St. Peter's College, Oxford, England/UK, 1997.

"Nature Vexed and Disturbed: Enginery in Early Experimental Natural Philosophy." MEPHISTOS '96, Toronto, Canada, 1996.

"Science, Power, Bodies: The Mobilization of Nature as State Formation." Pacific Sociological Association, San Francisco CA, 1995.
